

2ND NORDIC INTERNATIONAL CLIMATE CHANGE
ADAPTATION CONFERENCE, HELSINKI 2012

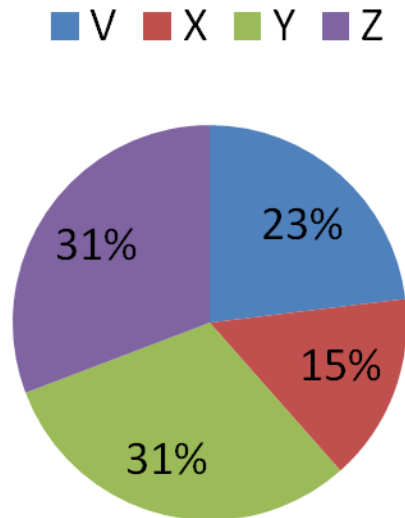

Ph.D. Workshop Conclusions

WELCOME
TO THE ZONE

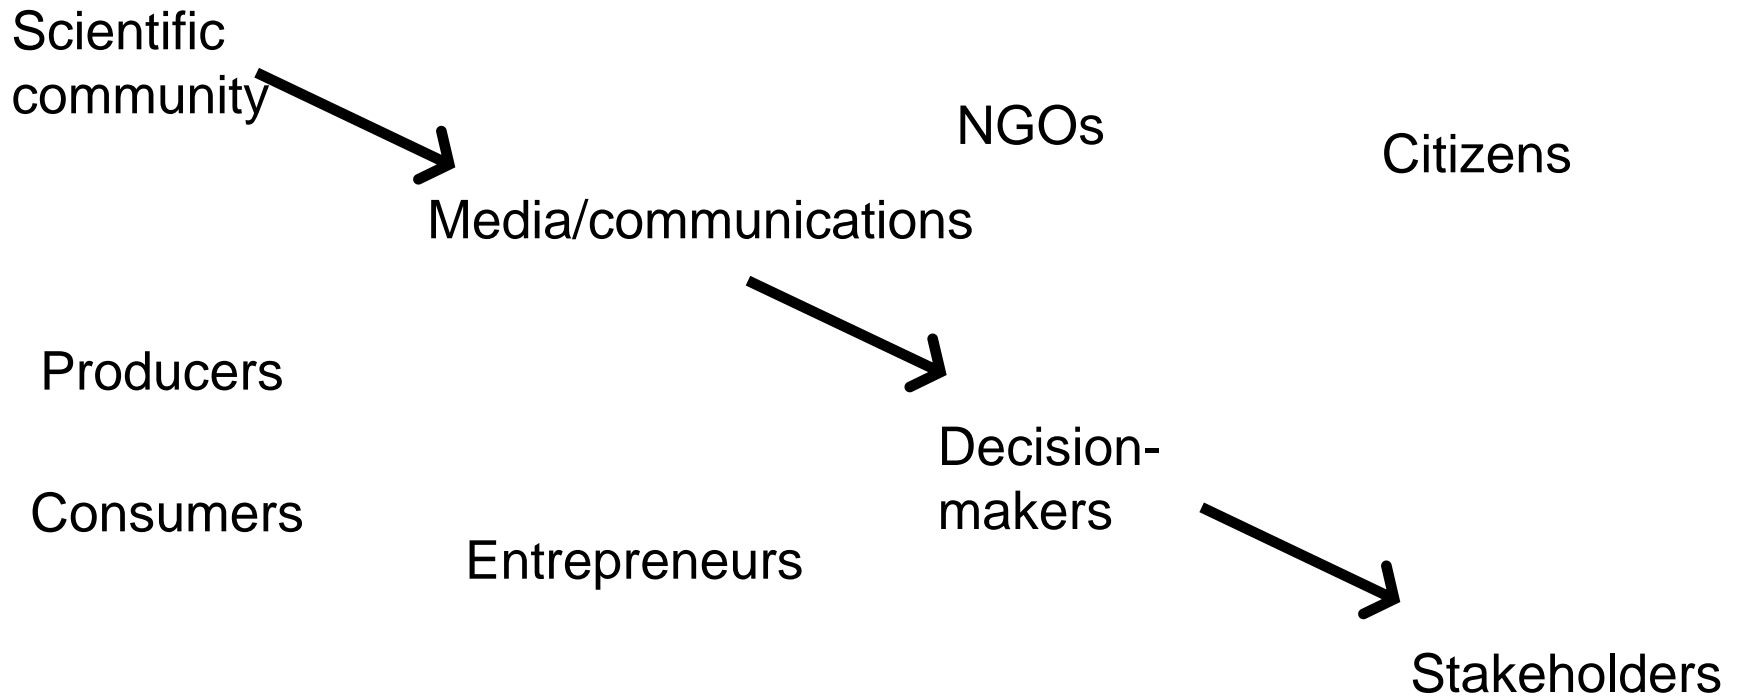

Disciplines of the PhD students in the workshop

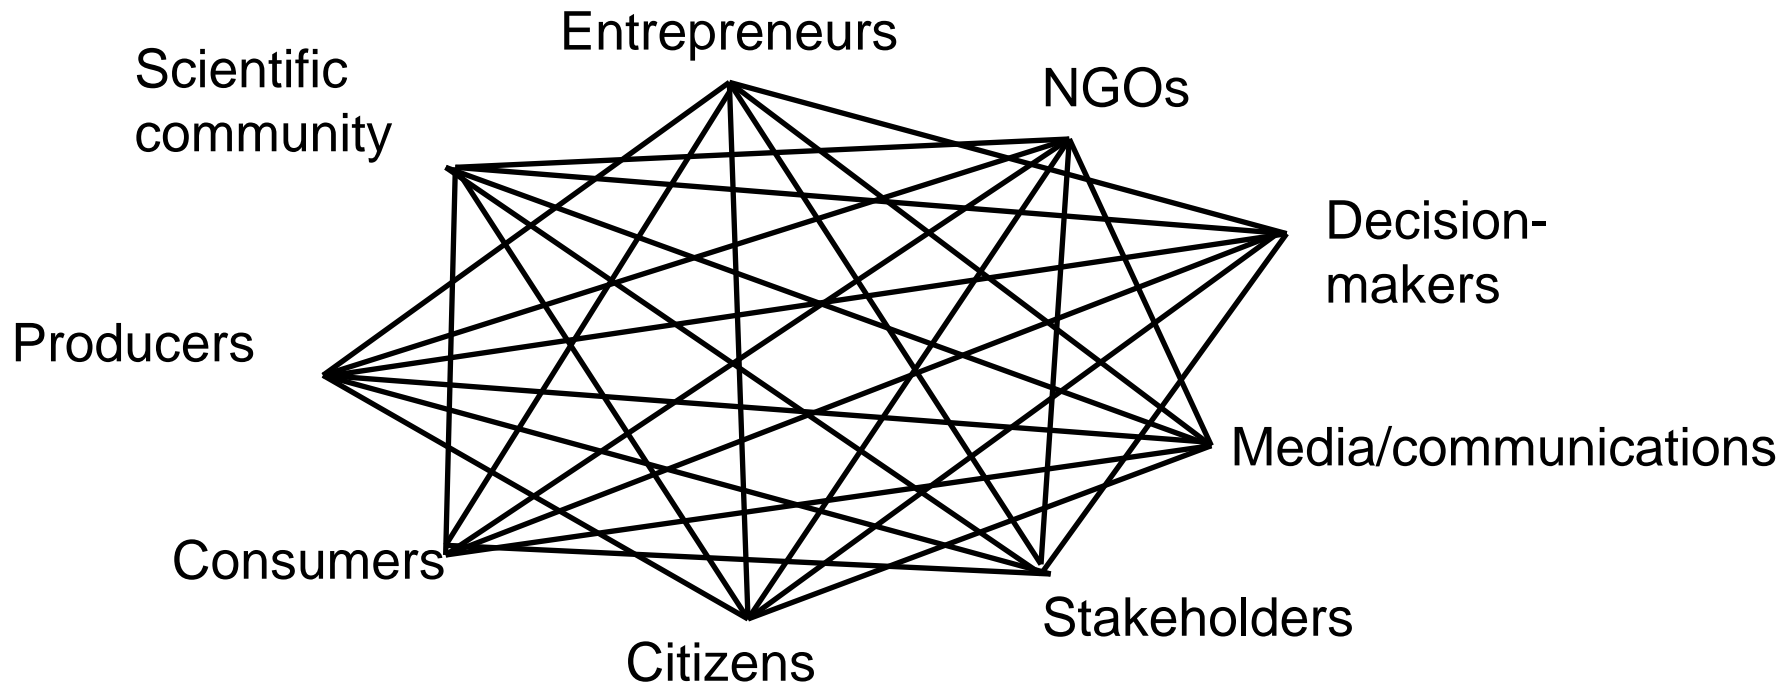

Who should be involved in adaptation planning?

Who should be involved in adaptation planning?

Ignorance/Uncertainty

- Do we really need more science?
- Uncertainty should not constrain action.
We know enough to begin.

Communication Is Vital

- Two-way communication
- Illustrate the side-benefits
- Use visualization tools
